

SENTIERS PÉDESTRES
CAMPING LA JOLIE ROCHELLE

This is an aerial photograph of a wooded area with a river at the top. A red line outlines the perimeter of the camping site. A yellow line traces a path through the site, starting from a parking area labeled 'ACCUEIL' and passing through various sections. A dashed pink line follows a similar path further into the woods. Labels in French identify specific areas: 'ROUTE PETITE 3E' near the river, 'ADRESSES 222-250' and 'TERRAINS 130-108' near the parking area, 'GARAGE' in the center, and four 'AIRE DE REPOS' (rest areas) in the lower right. The background is a dense green forest with some cleared patches and a river winding along the top edge.
